Supported Living Services

Dawn Enterprises, Inc.

The mission of Dawn Enterprises, Inc. is to assist individuals of Southeastern Idaho with mental, physical or social disabilities in achieving independence through employment training, skill training, social development, or living enhancements up to each individual's maximum capability.

About Us

Dawn Enterprises, Inc. is a private non-profit organization that offers Employment, Housing and Community Support Services to assist individuals of Southeast Idaho with mental, physical, or social disabilities to achieve independence up to each person's maximum capability.

Dawn Enterprises has been incorporated since December 20, 1974 and has been in continuous operation since. Dawn Enterprises, Inc. is governed by a Board of Directors who are volunteer citizens with a wide range of experience and expertise. They oversee the operations of the company and make decisions on the future direction of the organization.

Dawn Enterprises, Inc. is National Accredited with CARF, an organization who provides consultation, education, training, and publications that support the organization and services. CARF ensures that accredited organizations provide quality and valuable services to their individuals.

Residential Habilitation Services

Supported Living provides individually tailored services and supports to assist individuals in maintaining and/or increasing their independent living skills in their own homes, with their families, or an alternate family home successfully. Supported Living services assist in maintaining individual health and safety as well as teaching daily living skills to maintain their optimum independence in their home. Hourly services are available for individuals who only require assistance part of the day. Twenty-four-hour supports are available to individuals who require more assistance in their day-to-day tasks. Direct care staff aid individuals in a wide range of skills from home management to conflict resolution.

Community Involvement

Dawn Enterprises strives to help individuals become as independent as possible. We encourage them to participate in and support community businesses and events. Our overall goal is for individuals to become independent, active members of the community
